MYSORE SERUM INSTITUTE, HEBBAL, BANGALORE.

PURCHASE OF CALVES.

Notice dated 16th March 1940.

Sealed tenders will be received in the Office of the Superintendent, Mysore Serum Institute, Hebbal, Bangalore, up to 3 P.M., on Friday the 31st May 1940 for buying buffalo bull calves and bull calves which have been used in the Institute during the year ending 30th June 1941.

2. Tenders should be sent in sealed covers and superscribed "Tenders for the purchase of 'done' and branded buffalo bull calves and bull calves from the Institute."

3. A sum of Rs. 50 should be deposited in the State Huzur Treasury, Bangalore, as earnest money towards the tender in favour of the Superintendent, Mysore Serum Institute, and the treasury challan relating thereto should be attached to the tender. Without the earnest money deposit no tender will be considered.

4. The rate quoted in the tender should be written in figures as well as in words and it should hold good both for bull calves and buffalo bull calves that may be available, the total number for the whole year being about 200 buffalo bull calves and 20 bull calves which are only approximate.

5. About four calves may be available every week and they have to be removed every Wednesday from the Institute on payment of purchase money on the spot. The number is only approximate. If the contractor delays in removing the calves on the fixed days the animals will be retained in the Institute at the contractor's risk and he will have to pay as feeding charges annas four per calf for every day of delay till the date of removal of the animals, the maximum time allowed being ten days. These feeding charges should be paid in cash together with the purchase money before he takes delivery of the animals. In case of delays in taking delivery of the animals, the undersigned may at his discretion levy a fine not exceeding Rs. 10 (Rs. ten only) for every delay and this fine is payable in addition to the feeding charges. Failure to fulfil the above conditions on the part of the contractor will entail forfeiture of the security deposit furnished by him and further he should make good to Government any loss that may arise consequently during the whole official year.

6. No claim for any compensation or reduction of prices on any account shall be entertained.

7. The tenders will be opened by the undersigned commencing from 3 P.M. on Friday the 31st May 1940 in the presence of such tenderers as may choose to attend.

8. The undersigned does not bind himself to accept the highest rate or any tender or assign any reason whatever for the rejection of any tender.

9. The name of the successful tenderer will be intimated in due course.

10. Within seven days from the date of intimation of the acceptance of the tender, the successful tenderer will be required to execute an agreement bond (as detailed in the sample copy which will be available for reference in the office of the undersigned) on a ten-anna stamp paper depositing a sum not less than ten per cent of the total value of the tender as security towards the fulfilment of the contract in default of which his tender will be considered cancelled and his earnest money will be forfeited to Government.

11. The earnest money of the unsuccessful tenderers will be returned in due course. The earnest money of the successful tenderer will be refunded after his executing the necessary agreement bond.

12. The contract should not be sublet.

13. Preference will be given to tenders from raiyats at the discretion of the undersigned.

14. The contractor should take delivery of all and only those animals that the Superintendent offers for sale and the decision of the undersigned is final in the matter of selection of 'done' animals and also of infringement of the stipulations of the contract.

15. If the undersigned is not satisfied in respect of the financial stability of the successful tenderer, the security deposit required to be furnished by the contractor may be raised to 15 per cent or more at the discretion of the undersigned without assigning any reason whatever and his decision in the matter shall be final.

Tender Notice dated 16th March 1940.

SUPPLY OF MISCELLANEOUS ARTICLES.

Sealed tenders are invited for the supply of miscellaneous articles required for the Mysore Serum Institute at Hebbal, Bangalore, during the official year from 1st July 1940 to 30th June 1941 and will be received in the office of the undersigned up to 3 P.M. on Friday the 31st May 1940. The tenders should be sent in a sealed cover superscribed "Tender for the supply of Miscellaneous Articles required for the Serum Institute, during the official year, 1940-41."

2. The approximate quantities and description of the articles required are given in the subjoined statement and the tenderer should quote his rates against each item per unit quantity mentioned. Tenders not conforming to this will not be considered.

3. Every tenderer should deposit in the State Huzur Treasury, Bangalore, a sum of Rs. 100 as earnest money deposit towards the tender in favour of the Superintendent, Mysore Serum Institute, Bangalore, and the treasury receipt obtained therefor should accompany the tender. Without the earnest money deposit, no tender will be considered.

4. Tender rates should include the cost of delivery of the articles at the Institute premises at Hebbal, or at the Institute Reserve Depot. All corrections in figures should be attested.

5. The quantities given in the accompanying statement are only approximate and the actual quantities to be supplied during the year may be more or less. If quantities more than those mentioned in the schedule are required, the successful tenderer is bound to supply such additional quantities at the accepted tender rates. If articles other than those mentioned in the list are required, he should supply them also at the market rates prevailing at the time of placing indents.

6. No claim for any compensation or enhancement of rates on any account shall be entertained.

7. Samples of the required articles are available in the Institute Stores for inspection by the tenderers during office hours. The articles to be quoted for and to be supplied should be strictly in accordance with the samples.

8. The successful tenderer should be prepared to supply such quantities of various articles as may be required from time to time, as per indents from the Superintendent of the Institute, such indents being complied with within two days from the date of their receipt.

9. The final acceptance of any tender will rest with the Director of Agriculture who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

10. The tenders will be opened by the undersigned commencing from 3 P.M. on Friday the 31st May 1940 in the presence of such tenderers as may choose to attend.

11. The name of the successful tenderer will be intimated in due course and he will be required to execute an agreement bond (as detailed in the sample copy available for reference in the office of the undersigned) on a ten-anna stamp paper, depositing in favour of the Superintendent, Serum Institute, in the State Huzur Treasury, a sum not less than ten per cent of the value of the tender as security deposit for the due fulfilment of the contract within seven days from the date of intimation of the acceptance of the tender, failing which his earnest money will be forfeited and his tender cancelled at the option of the undersigned. It may also be noted that if the undersigned is not satisfied in respect of the financial stability of the successful tenderer, the security deposit may be raised to 15 % or more at the discretion of the Superintendent, Serum Institute, without assigning any reason and the decision of the undersigned is final in the matter.

12. Bill for the supplies made during a month should be sent early in the following month for auditing and arranging payment. The total of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half a rupee will be disregarded and half a rupee and over taken as a rupee. The totals of bills less than Rs. 25 will be rounded to the nearest anna.

13. The articles supplied should be good and conform to the samples available in the Institute and will be liable to be rejected if they do not serve the purpose of the Institute, and the decision of the undersigned is final in respect of the acceptance of the quality.

14. The earnest money of the unsuccessful tenderers will be returned in due course. The earnest money deposit of the successful tenderer will be refunded to him after his executing the necessary agreement bond. Should the successful tenderer fail to comply with indents regularly in time or with any of the conditions stipulated above, the undersigned reserves the right to cancel his contract and to forfeit his security deposit to the Government. Further, the undersigned may purchase the articles required in the open market at the contractor's risk and expense and claim damages for any dislocation of work or loss that may arise during the whole official year in the event of the successful tenderer failing to fulfil the terms of his contract. But the contractor will have no right to participate in the profits, if any, by such purchases. A fine not exceeding Rs. 10 may also be levied at the discretion of the undersigned for any or every irregular supply or infringement of the stipulations of the contract.

10. No claim for any compensation or enhancement of prices on any account over the tendered rate will be entertained.

11. Payments to the contractor for buffaloes supplied will be arranged by the undersigned as soon as possible after the contractor submits his bill for the same early in the following month with all the relative receipts attached thereto. The total of the bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half a rupee will be disregarded and half a rupee and over taken as a rupee. The total of bills less than Rs. 25 will be rounded to the nearest anna.

12. The tenderers should note the following conditions as regards the supply of he-buffaloes :—

(*a*) tenders should be for the supply of he-buffaloes which should be only from 5 to 8 years of age, in good condition and in perfect health ;

(*b*) each animal should weigh not less than 400 lbs. ; and

(*c*) animals which have been previously protected against Rinderpest by the S. S, method of inoculation and those which have recovered from a previous attack of Rinderpest as well as those that have been formerly in use in the Institute will not be accepted.

13. The undersigned reserves to himself the right to keep the animals under observation for one week prior to final acceptance entirely at the contractor's risk and also to reject any animal at any time within the week of provisional acceptance without assigning any reason for the same. Such animals should be removed by the contractor immediately on receipt of notice to do so from the undersigned and they shall be replaced within a week by fresh and suitable animals. Should there be any delay in taking delivery of the rejected animals within two days from the date of despatch of intimation of rejecting them, or before the 8th day from the date of supply the animals will be retained in the Institute only at the Contractor's risk and he shall pay feeding charges at annas eight per animal per day from the third day of intimation or 8th day of supply whichever is earlier, till the date of removal of those rejected animals ; the amount so accrued will be deducted from the supply bill of the contractor, if in the meantime payment of the same in cash is not made by him. It may noted that the non-receipt of intimation by the contractor connot be an excuse for any delay in taking delivery inas much as that it is the primary resjonsiblity of the contractor to ascertain whether any animals are rejected during the observation period.

14. A fine not exceeding Rs. 50 will be levied at the discretion of the undersigned for every infringement of the stipulation of the contract or for any attempt to impose upon the undersigned S. S. inoculated or rejected or used he-buffaloes, etc., and if the stipulations of the contract be frequently violated, the contract will be annulled and the security deposit forfeited to Government at the discretion of the undersigned, the contractor being made liable to make good to Government all the other losses that the Government may be put to consequently during the whole official year.

15. If, owing to any delay in supplying the he-buffaloes, the undersigned is forced to purchase them elsewhere, it will be done at the risk of the contractor and any extra cost so incurred will be recovered from him independently of any fine that may be levied on him under the above clause ; but the tenderer shall not participate in the profits, if any, by such purchases.

16. The contract should not be sublet.

17. The decision of the undersigned shall be final in all questions of acceptance of he-buffaloes and also of infringement of the stipulation of the contract.

18. Any further information may be had from the undersigned on working days between 2 P.M. and 4 P.M. in his office.

SUPPLY OF BUFFALO BULL CALVES AND BULL CALVES.

Tender Notice dated 16th March 1940.

Sealed tenders for the supply of buffalo bull calves and bull calves required for the Mysore Serum Institute at Hebbal, Bangalore, during the official year from 1st July 1940 to end of June 1941 will be received in the Office of the Superintendent, Serum Institute, Bangalore, up to 3 P.M. on Friday the 31st May 1940.

2. The tenders should be made in sealed covers superscribed "Tenders for the supply of buffalo bull calves and bull calves to the Mysore Serum Institute during the year 1940-41."

3. The tender rate quoted should be inclusive of all charges for free delivery of the calves at the Institute premises at Hebbal, or at the Institute Reserve Depot.

4. Every tenderer should deposit in the State Huzur Treasury a sum of Rs. 100 as earnest money towards the tender in favour of the Superintendent, Mysore Serum Institute, Bangalore, and the Treasury Receipt obtained therefor should accompany the tender. Without earnest money deposit, no tender will be considered.

5. The tenders will be opened by the Superintendent commencing from 3 P.M. on the same day in the presence of such tenderers as may choose to attend.

6. About 250 buffalo bull calves and 25 bull calves may be required to be supplied during the year but the number is only approximate. If necessary, more or less than the number mentioned will have to be supplied at the same accepted rate during the whole year.

7. The contractor should be prepared to supply from time to time the number of calves required of him by the Superintendent, Serum Institute, within the period specified in the indent.

8. The final acceptance of any tender will rest with the Director of Agriculture who does not bind himself to accept the lowest rate quoted or any tender or to assign any reason whatever for the rejection of any tender.

9. The rate quoted should be in figures as well as in words. Separate rates should be quoted for buffalo bull calves and bull calves. The rate quoted for each item will be considered as a separate tender by itself. All corrections in figures should be duly attested.

10. No claim for any compensation or enhancement of rates on any account shall be entertained.

11. The name of the successful tenderer will be intimated in due course. Every successful tenderer will be required to execute an agreement as detailed in the sample copy available for reference in the office of the undersigned on a ten-anna stamp paper, depositing a sum not less than 10 per cent of the value of the tender as security deposit in the State Huzur Treasury, in favour of the Superintendent, Serum Institute, within seven days from the date of intimation of the acceptance of the tender for the due fulfilment of the contract, failing which his tender will be cancelled and the earnest money forfeited. It may also be noted that if the undersigned is not satisfied in respect of the financial stability of the successful tenderer, the Security deposit may be raised to 15% or more at the discretion of the Superintendent, Serum Institute, without assigning any reason whatsoever and the decision of the undersigned shall be final in the matter. The earnest money of the unsuccessful tenderers will be arranged to be refunded in due course. The earnest money deposit of the successful tenderers will be refunded to them after their executing the necessary agreement bonds.

12. Payments to the contractor for calves supplied will be arranged by the undersigned as soon as possible after the contractor submits his bill for the same early in the following month with all the relative vouchers. The total of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half a rupee will be disregarded and half a rupee and over will be taken as a rupee. The totals of bills less than Rs. 25 will be rounded to the nearest anna.

13. The tenderers should note the following conditions as regards the supply of buffalo bull calves and bull calves :—

(*a*) Tenders should be for the supply of only buffalo bull calves and bull calves which should be from 1 to 3 years of age, in good condition and in perfect health.

(*b*) Each buffalo bull calf should weigh not less than 180 lbs., and each bull calf 150 lbs.

(*c*) Animals which have been previously protected against Rinderpest by the S. S. method of inoculation and those which have recovered from a previous attack of Rinderpest as well as those that have been formerly used in the Institute will not be accepted.

14. The undersigned reserves to himself the right to keep the animals under observation for four days prior to final acceptance entirely at the risk of the contractors and also to reject any animal at any time within those four days without assigning any reason for the same. Such animals shall be removed by the contractor immediately on receipt of intimation from the undersigned and they should be replaced within four days by an equal number of animals that may be acceptable to the undersigned. In case there is any delay in taking delivery of the rejected animals within two days at the latest from the date of despatch of intimation of rejecting them on the 5th day of supply even without any intimation, the animals will be retained in the Institute only at the risk of the contractor and he shall pay feeding charges at four annas per animal per day from the third day of intimation or the 5th day of supply whichever is earlier, till the date of

removal of those rejected animals; the amount so accrued will be deducted from the supply bill of the contractor if in the meantime payment of the same in cash is not made by him. It may also be noted that the non-receipt of intimation by the contractor cannot be an excuse for any delay in taking delivery inasmuch as that it is the primary responsibility of the contractors to ascertain whether any animals are rejected during the observation period.

15. A fine not exceeding Rs. 30 will be levied at the discretion of the undersigned for every infringement of the stipulation of the contract or for any attempt to impose upon the undersigned S.S. inoculated or rejected or used buffalo bull calves and bull calves, etc., and if the stipulations of the contract be frequently violated, the contract will be annulled and the security deposit forfeited to Government at the discretion of the undersigned, the contractor being made liable to make good to Government all the other losses that the Government may be put to consequently during the whole official year.

16. If, owing to any delay in supply, the undersigned is obliged to purchase calves elsewhere, he will do so at the risk of the contractor and any extra cost involved will be recovered from him independently of any fine that may be also levied on him as per para. No. 15. But the contractor shall have no claim on the profits, if any, by such purchases.

17. The contract should not be sublet.

18. The decision of the undersigned shall be final in all questions of acceptance of buffalo bull calves and bull calves, and also of infringement of the stipulations of the contract.

19. Any further information relating to the supply of buffalo bull calves and bull calves may be had from the undersigned on working days between 2 P.M. and 4 P.M. in his office.

5. The tenders will be opened by the undersigned commencing from 3 P.M. on the same day in the presence of such tenderers as may choose to attend.

6. About 400 he-goats and 50 sheep may be required to be supplied during the year. The numbers are only approximate and the Superintendent reserves the right to order for more or less than the number mentioned at the same accepted rate.

7. For the supply of he-goats, two contractors may be selected out of the tenderers at the option of the undersigned. Each contractor should be prepared to supply from time to time the number of goats required by the Superintendent of the Institute, within the period specified in the indent.

8. The final acceptance of the tendered rates for the supply of he-goats and sheep will rest with the Director of Agriculture who does not bind himself to accept the lowest rate quoted or any tender or to assign any reason whatever for the rejection of any tender.

9. Every one of the selected contractors will be considered as a separate and an independent supplier to the Institute.

10. The rate quoted should be in figures as well as in words. Separate rates should be quoted for he-goats and sheep. The rate quoted for each item, *i.e.*, he-goats and sheep, will be considered as a separate tender by itself. All corrections in figures should be duly attested.

11. No claim for any compensation or enhancement of rates on any account shall be entertained.

12. The names of the successful tenderers will be intimated in due course. Every successful tenderer will be required to execute an agreement as detailed in the sample copy available for reference in the office of the undersigned, on a ten-anna stamp paper depositing a sum not less than 10 per cent of the value of the tender as security deposit in the State Huzur Treasury, in favour of the Superintendent, Serum Institute, within seven days from the date of intimation of the acceptance of the tender for the due fulfilment of the contract, failing which his tender will be cancelled and earnest money forfeited. It may also be noted that if the undersigned is not satisfied in respect of the financial stability of the approved contractors, the Security deposit may be raised to 15%

or more at the discretion of the Superintendent, Serum Institute, without assigning any reason whatsoever and the officer's decision in the matter shall be final. The earnest money of the unsuccessful tenderers will be arranged to be refunded in due course. The earnest money of the successful tenderers will be refunded to them after their executing the necessary agreement bond.

13. The successful tenderers should be prepared to supply such number of animals as may be required from time to time on indent from the Superintendent within the time specified by him.

14. Payments to the contractors for the animals supplied will be arranged by the undersigned as soon as possible after the contractor submits his bill for the same early in the following month with the relative receipts attached thereto. While arranging payment of his bills, the contractor should accept the following conditions :—

(*a*) The total of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half-a-rupee will be disregarded and half-a-rupee and over will be taken as a rupee.

(*b*) The total of bills less than Rs. 25 will be rounded to the nearest anna.

15. The tenderers should note the following conditions :—

(*a*) Tenders should be for the supply of he-goats and sheep which should be only from 1 to 3 years of age, in good condition and in perfect health.

(*b*) Each he-goat should weigh not less than 50 lbs., and each sheep 35 lbs.

(*c*) Animals which have been previously protected against Rinderpest by S.S. method of inoculation and those which have recovered from a previous attack of Rinderpest as well as those that have formerly been used in this Institute will not be accepted.

16. A fine not exceeding Rs. 30 will be levied at the discretion of the undersigned for every infringement of the stipulation of the contract or for any attempt to impose upon the undersigned S.S. inoculated or rejected or used animals, and if the stipulations of the contract be frequently violated, the contract will be annulled and the security deposit forfeited to Government at the discretion of the undersigned, who will also have the right to claim damages for any dislocation of work or loss that may arise during the whole official year on account of breach of contract.

17. The undersigned reserves to himself the right to keep the animals under observation for four days prior to final acceptance entirely at the contractor's risk and also to reject any animal at any time within those four days without assigning any reason for the same. Such animals shall be removed by the contractor immediately on receipt of intimation from the undersigned and they should be replaced within four days by an equal number of animals that may be acceptable to the undersigned. In case there is any delay in taking delivery of the rejected animals within two days at the latest from the date of despatch of intimation from the office regarding the rejection of them or before the 5th day from the date of supply even without formal intimation from this office, the animals will be retained in the Institute only at the risk of the contractor and he shall pay feeding charges at annas four per animal per day from the third day of intimation or the 5th day of supply whichever is earlier, till the date of removal of those rejected animals; the amount so accrued will be deducted from the supply bill of the contractor if in the meantime payment of the same in cash is not made by him. It may be noted that the non-receipt of the intimation in time cannot be an excuse as it is primarily the responsibility of the contractor to ascertain whether any animals are rejected during the observation period.
